

#11 OLS CA SHEEP LICKS

CANADIAN REG. #920246

SUPPLEMENT FOR SHEEP AND GOATS

The best high energy, all natural protein sheep supplement on the market. This performance-packed supplement is designed for the roughest conditions, dry grass pasture, hay and low quality forage. Safe for horses, this protein and energy pack also contains major and chelated trace minerals, concentrated vitamins and extra AMAFERM. Ideal for replacement of cubes, cake, or pelleted rations. Provide plenty of fresh water and free choice salt.

FEEDING RECOMMENDATIONS:

27.5 - 55 grams (1-2 ounces) per head per day. Product should be available continuously. Locate tubs near a source of water, salt or loafing areas. On open range locate tubs where animals congregate, near gaps or along trails. Variables in consumption could be temperature, humidity, type of animal, animal size, stage of production and animal health. The quality, source, availability of roughage and/or light grain may also affect consumption. Measure product upon first introduction to figure consumption. Large Tub holds approximately 3.2 kg/cm (18lb/in). Increase consumption by decreasing number of head or adding another tub. To reduce consumption, increase number of head or move tubs away from congregating areas. If this fails, remove a tub. Always provide a fresh, clean source of water and free choice salt.

GUARANTEED ANALYSIS

Crude Protein, min	18.00%
Crude Fat, min	7.00%
Crude Fiber, max	2.50%
Calcium (Ca), actual	1.80%
Phosphorus (P), actual	1.50%
Magnesium (Mg), actual	2.00%
Potassium (K), actual	2.00%
Copper (Cu), none added	0.00%
Iodine (I), actual	75 mg/kg
Manganese (Mn), actual	1650 mg/kg
Fluorine (F), max	66 mg/kg
Cobalt (Co), actual	8 mg/kg
Zinc (Zn), actual	2150 mg/kg
Vitamin A, min	440,000 IU/kg
Vitamin D3, min	66,000 IU/kg
Vitamin E, min	1100 IU/kg

Available in 22.67, 27.27, 45.5, 91, 113 kg (50, 60, 100, 200, 250 lb) sizes.

INGREDIENTS

Molasses Products, Sunflower Meal, Corn Distillers Grains with Solubles Dehydrated, Magnesium Oxide, Monocalcium Phosphate, Calcium Carbonate, Vegetable Oil, Zinc Oxide, Zinc Sulfate, Zinc Amino Acid Complex [Reg No. 983368], Zinc Methionine Complex [Reg No. 990583], Dehydrated Aspergillus Oryzae Fermentation Extract, Cobalt Sulfate, Sodium Selenite, Manganous Oxide, Manganese Amino Acid Complex [Reg No. 990588], Ethylenediamine Dihydriodide, Potassium Iodide, Cobalt glucoheptonate [Reg No. 980490], Vitamin A, Vitamin D3, Vitamin E, Dried Lactobacillus acidophilus fermentation product, Thiamine Mononitrate, Biotin, Folic Acid, D-Pantothenic Acid, Pyridoxine Hydrochloride, Vitamin B12, Riboflavin, Ascorbic Acid, Niacin, Menadione Dimethylpyrimidinol Bisulfite and Ethoxyquin.

This feed has selenium added at 6 mg/kg.

Manufactured By:
**Orwig's Livestock
Supplements, Inc.**

PO Box 4 Ellendale, ND 58436

SELENIUM CAUTION: Directions for use must be carefully followed. Do not use in association with other feed containing supplemental selenium. This product is free of anti-microbial activity and isn't a source of viable cells.
