

#22 OLS CA BOVINE BREEDER B D

CANADIAN REG. #621063

SUPPLEMENT FOR CATTLE

This is our most concentrated Canadian product that has been successful for building overall herd health. It's protein, energy, vitamin and mineral package is designed for use on growing and mature beef cattle being fed grass hay/dry grass pasture, or for mature beef cattle on very poor quality roughage. It has 50% more probiotics and prebiotics than the #9, #10, and #14. Contains BIO-MOS to aid in the building of the immune system. Also includes 10% DIATOMACEOUS EARTH. Adjust intake for energy level needed. Provide plenty of drinking water and free choice salt.

FEEDING RECOMMENDATIONS:

82.5-165 grams (3-6 ounces) per head per day. Product should be available continuously. Locate tubs near a source of water, salt or loafing areas. On open range locate tubs where animals congregate, near gaps or along trails. Variables in consumption could be temperature, humidity, type of animal, animal size, stage of production and animal health. The quality, source, availability of roughage and/or light grain may also affect consumption. Measure product upon first introduction to figure consumption. Tub holds approximately 3.2 kg/cm (18 lb. per in). Increase consumption by decreasing number of head or adding another tub. To reduce consumption, increase number of head or move tubs away from congregating areas. If this fails, remove a tub. Always provide a fresh, clean source of water and free choice salt.

GUARANTEED ANALYSIS

Crude Protein, min	18.00%
Crude Fat, min	6.00%
Crude Fiber, max	3.00%
Calcium (Ca), actual	2.75%
Phosphorus (P), actual	2.50%
Salt (NaCl), none added	0.00%
Magnesium (Mg), actual	2.00%
Potassium (K), actual	2.00%
Copper (Cu), actual	2200 mg/kg
Iodine (I), actual	100 mg/kg
Manganese (Mn), actual	3300 mg/kg
Fluorine (F), max	66 mg/kg
Cobalt (Co), actual	10 mg/kg
Zinc (Zn), actual	4300 mg/kg
Vitamin A, min	550,000 IU/kg
Vitamin D3, min	88,000 IU/kg
Vitamin E, min	220 IU/kg

This feed has selenium added at 6 mg/kg.

Available in 45.5, 91, 113 kg
(100, 200, 250 lb) sizes.

INGREDIENTS

Beet Molasses, Soybean Meal, Monocalcium Phosphate, Diatomaceous Earth, Corn Distillers Grains with Solubles Dehydrated, Calcium Carbonate, Magnesium Oxide, Vegetable Oil, Yeast Brewers Dehydrated, AFS [Reg No. 990083], Zinc Oxide, Zinc Sulfate, Zinc Methionine Complex [Reg No. 990583], Availa 4 [Reg No. 982083], Copper Sulfate, Dehydrated Aspergillus Oryzae Fermentation Extract, Cobalt Sulfate, Sodium Selenite, Manganous Oxide, Selenium Enriched Yeast [Reg No. 982026], Ethylenediamine Dihydriodide, Potassium Iodide, Vitamin A, Vitamin D3, Vitamin E, Dried Lactobacillus acidophilus fermentation product, Thiamine Mononitrate, Biotin, Folic Acid, D-Pantothenic Acid, Pyridoxine Hydrochloride, Vitamin B12, Riboflavin, Ascorbic Acid, Niacin, Menadione Dimethypyrimidinol Bisulfite and Ethoxyquin.

Manufactured By:
**Orwig's Livestock
Supplements, Inc.**

PO Box 4 Ellendale, ND 58436

SELENIUM CAUTION: Directions for use must be carefully followed. Do not use in association with other feed containing supplemental selenium. This product is free of anti-microbial activity and is not a source of viable cells.
WARNING: Contains high levels of copper. Do not feed to sheep.
